Note: The balance between the brass 'sound' and the choral 'sound' (volume) must be carefully worked out by the director so that the brass is always accompanying and not covering the choir. This will vary with the size of the group, the location of the performance and the skill (subtlety) of the brass players.

\*Premiered at the Inauguration of Dr. Ronald E. Sleeth, President of West Virginia Wesleyan College, October 22, 1976, Jamie Schuppener conductor.

\*\* Brass Parts (Tpts. I, II, and Tbus. I, II) — F 955B; Orchestration — C 5140O; 3-5 Octave Handbell accomp. — #1973.
